

## Small Starter Kit Safety Gateway in Stainless Steel

### Small Starter Kit Safety Gateway in Stainless Steel

**Limited quantity  
—  
only while stocks last.**

#### Article no. BW3074

The Small Starter Kit Safety Gateway in Stainless Steel is available fully assembled and pre-wired in a practical case.

This cost-effective starter version offers ample space for the installation of your own modules.

The Small Starter Kit Safety Gateway in Stainless Steel will be assembled by default with a PROFINET Gateway with integrated Safety Monitor, but most other prevalent fieldbus systems are available on request.
